

METHODIST HEALTH SYSTEM

PLAIN LANGUAGE SUMMARY OF FINANCIAL ASSISTANCE POLICY (FAP)

1. As a part of its mission, Methodist Health System (MHS), and its affiliated Hospitals, provide financial assistance to patients who lack the ability to pay for emergency and medically necessary hospital services. Financial assistance does not apply to bills from Doctors, outside labs and other providers.
2. Generally, if your yearly income is less than or equal to 100% of the Federal Poverty Guidelines, <https://aspe.hhs.gov/poverty-guidelines>, you will qualify for financial assistance. If you qualify your balance owed at the time of the FAP application will be written off or discounted. You can ask for help with your bill at any time during your hospital stay or billing process.
3. The determination of the ability to pay may take into account a number of variables, including income level, family size and amount of hospital charges. In extraordinary cases MHS may take into account earning status of patient and family and the frequency of hospital and medical bills.
